LEATHER LINE

Your logo or marketing message printed in full-color on a synthetic leather.

The new leather look gives our keyrings an extra luxurious appearance and will be with no doubts used for many years. Do not hesitate and try the new Leather Line.

DOMING

Many of our products can be personalized with so called doming. A unique combination of a sharp full-color print and transparent PU-layer (polyurethane) upgrades the product to a different level and gives a high-end look.
